c. They will make an appointment for you via zoom with one of the certified doctors in WV. Most appointments via zoom can be made for the following day. (You can also visit one of the doctors in person, if you prefer and they can provide you with the various locations).

d. The fee is \$149.00 and if you give them the Certification Code: PINK10 you will get a \$10.00 discount and it must be paid at the time you make the appointment. If you are NOT approved, the fee will be returned to you.

2. You will receive an email confirmation from Green Health Docs for a FIRST TIME VISIT—Telemedicine Consultation with the link to click on at the time of your scheduled appointment. They will also send you a preliminary "intake form" that you MUST fill out immediately. If you do not have medical documentation from you doctor to submit, just download a copy of your Driver's License when it asks for that.

3. Log in at the time of your scheduled visit.

4. The doctor will ask why you need medical cannabis, if you have ever been arrested, etc.

5. Once the doctor approves you, you will get an email with your "Physician's Certification for Qualified Patients" with all of the physician's information such as WV Medical License Number and Registration Number.

a. You will need all of this information to apply on the WVDHHR site.

6. The WVDHHR site is medcanwv.org and from there you register as an individual new patient and set up an account.

7. You will have to have proof of residence documents and WV State ID.

8. You have the option to waive the \$50. Fee if you can prove a financial hardship.

9. Mail a \$50. check to 350 Capitol Street, Room 523, Charleston, WV 25301
