

# We would love for you to take part in Our SILENT AUCTION!

*Community Friends,*

You are invited to be part of something truly meaningful. West Virginia Breast Health Initiative is dedicated to bringing awareness and education about breast cancer, as well as providing compassionate support to those navigating their breast cancer journey.

We are hosting a Silent Auction at our HaHa's for TaTa's Comedy Night to raise vital funds for our programs—and we need your help!

We are seeking donated items, experiences, or services from generous community members and businesses. Your contribution will directly help us:

- Educate and empower individuals about breast health and early detection
- Offer resources and emotional support to those facing a breast cancer diagnosis
- Provide hope and community connection during a challenging time

#### Examples of items you could donate:

- Gift baskets or gift cards
- Art, crafts, or home décor
- Tickets to events or experiences
- Professional services (spa, photography, fitness, etc.)
- Specialty items from your business

Your generosity will not only help raise crucial funds, but will also demonstrate your commitment to a cause that touches so many lives. We'll proudly recognize all donors in our event materials and share our gratitude on social media.

*If you are able to donate, please contact us at [ed@wvbi.org](mailto:ed@wvbi.org) by October 5, 2026. We are happy to arrange pickup or drop-off for your item.*

Thank you for joining us in making a difference. Together, we can spread awareness, provide support, and inspire hope for those affected by breast cancer.

With Gratitude,

*Donna Dehart*

West Virginia Breast Health  
Initiative Executive Director
